BUREAU OF INFORMATION.

BUREAU OF PROVINCIAL INFORMATION.

IN ORDER that the Government may be in possession of definite information with which to supply those seeking investments in this Province, I am instructed to invite particulars from those who have properties for sale, and who may feel disposed to forward such particulars to this office for the purpose in question.

In view of the proposed early re-organisation of the Agent General's Office in London, England, the desirability of having on file a list of farms and other properties for sale, with full and accurate details, is obvious. Properties submitted may include farms and farm lands, industrial or commercial concerns, timber limits, water powers, or other enterprises affording opportunities for legitimate investment.

It is not proposed to recommend properties to intending investors, but to afford the fullest access to the classified lists and all available information connected therewith, and to place enquirers in communication with the owners.

The fullest particulars are desired not only of the properties themselves, but of the localities in which they are situated, and the conditions affecting them. For this purpose printed schedules will, upon application, be forwarded to those desirous of making sales.

R. E. GOSNELL,
Secretary, Bureau of Provincial Information.
